## **DO PROCESS LP ANNOUNCES THE ACQUISITION OF PROSUITE CONVEYANCING SOFTWARE**

**TORONTO, ON – July 10, 2013** – Do Process LP, the leading provider of practice specific software applications in Canada, announced today that they have acquired the number one conveyancing software in British Columbia, ProSuite, from ProSuite Software Limited. The ProSuite software creates great efficiencies for legal professionals, helping them manage and close real estate transactions on behalf of their customers. Do Process currently owns and operates Brief Convey and ConveyMaster in British Columbia, and with the addition of ProSuite, now enables 60% of all real estate transactions in the province.

"We are very excited about the market advantage we have established in BC. Moving forward, we intend to make significant investments to improve our products and enhance the customer experience, further differentiating Do Process from its competitors," said John Robinson, Executive Director Do Process LP.
